Generally, I am quite glad that the => Respect for Marriage Act, was signed into law, ...  
and Helen Fisher, has discussed the meme involving *survival-mechanism* here =>  
<https://www.youtube.com/watch?v=DvP3xUticxA> The ancient origins of partnering and romantic love | Helen Fisher

Generally, on my past-blog, I had mentioned that I did not like the word => ‘girlfriend’  
and I had also created a divorce-certificate, associated with the previously married couple, related to Towel Day.  
  
And, as a motherless-child since age\_five, 1987, the memes, related to ‘girlfriend’ were not useful.  
However, ... regarding *survival-mechanism*, ... the memes related to => ‘employer-girl and fake-boyfriend’ were useful.

... When Muhammad was 25, his fortunes turned around; his business reputation caught the attention of his 40-year-old distant relative Khadija, a wealthy businesswoman who had staked out a successful career as a merchant in the caravan trade industry. She asked him ... {some such thing, seems familiar}

In the past, I was age\_19, and Douglas N. Adams, and Jane Goodall, were alive, and I thought that they might be interesting people to meet. And I thought that -- The Horse Whisperer (1998) movie, was quite neat ... ..  
  
... regarding the notion of ‘advertising’, the audience happens to be people that are alive.  
and about the future, I had created the following site => <https://bistromath1982.neocities.org/clarissa-docs/advertising/>  
... generally, I hope that this site or something similar, will remain online, for the next decade (25<sup>th</sup> May, 2035CE).

I will be leaving this document, as a pdf, at the above link, related to ‘advertising’.

Recently, this movie => <https://www.imdb.com/title/tt25810762/> Holiday for Hire { 2024, 1h 24m }  
included the useful-meme, ... and the employer-girl chooses to get involved,  
with the path-integral related participation of the male (related to his mother), along with others in the community, ...

In the past, Anthony Albanese and Jodie Haydon, got engaged and had plans to get married after the elections-2025 ...  
... and I wish them well, and a merry Christmas as well. A screenshot of the path-integral-paper has also been uploaded to the site => <https://bistromath1982.neocities.org/clarissa-docs/gallery-4>

The Sisters of Life Answer the Internet's Top Questions About Nuns  
... and generally, I can believe in the claims made in the above video,  
as I had decided to stay out of marriage, till age\_40\_plus, sometime before 2003 CE.

I had travelled to Rishikesh, in 2003, and wanted to write something about cults => <https://here-it-is-written.cloudns.nz/>  
  
<https://www.skeptic.com/michael-shermer-show/why-no-one-thinks-theyre-in-a-cult/>  
Also, the discussion about -- staying due to familiarity, and gaslighting, was relevant and applicable ...  
... and I did not want more, of what I was already familiar with,  
so I had decided to stay out of marriage till age\_40\_plus, which I am now.
